Skaters will be evaluated throughout the session to determine if they are ready to advance. For all Snowplow, Basic and Free Skate classes we use U.S. Figure Skating Curriculum. More information can be found at www.usfigureskating.org. Our program consists of a 12:1 student/instructor ratio to ensure quality instruction. The exception being the Snowplow level which is an 8:1 ratio. All participants also receive 5 free open skate passes week 3 of lessons.

We reserve the right to cancel or combine classes.

Any class having only one registered skater will be offered the option of a 15 minute private lesson.

REGISTRATION: Registration for our program is conducted on-line. Go to the City’s website at www.cityofapplevalley.org. From the “Recreation” heading’s drop-down lists, select “Recreation Programs” and then “Ice Skating Lessons”. First-time users will need to set up an account to register. Each family member should be listed on the same account, and can be easily added at a later date.
