

POTTED PLANTS

- Plants must be contained in a Permitted Plant Stand.
- One plant stand is permitted per grave lot and cremation boulder.
- The location of a plant stand may be altered at the direction of the Cemetery Supervisor.
- Live, artificial, and silk plants are permitted in a Permitted Plant Stand.

A Permitted Plant Stand is constructed of steel, iron, aluminum, or similar material and consists of only one supporting stake which is placed in the ground. The stake is topped with steel webbing or similar device(s) designed to contain and/or support a planter.

- Planters, vases, and containers made of glass or other breakable material are prohibited and subject to immediate removal.
- Hanging plants (e.g., shepherd's hooks) are prohibited and subject to immediate removal.
- The City is not responsible for maintenance and care of plants and plant stands. The City is not responsible for stolen plants or plant stands. Plant stands that are vacant for more than one year are subject to removal.
- The City reserves the right to remove all plants or plant stands which interfere with routine maintenance of the Cemetery or which become unsightly, overgrown, dangerous, or diseased.

DECORATIONS

- Wreaths are allowed from November through February.
- Vases or containers integrated into a monument or marker may be allowed subject to approval by the Cemetery Supervisor.
- Cut flowers must be contained in a Permitted Plant Stand or an approved vase.
- Balloons, knick-knacks, solar lights, stuffed animals, wind chimes, windmills, windsocks, and all other objects not described above are prohibited and subject to immediate removal.
- Enclosures such as fencing and coping are prohibited and subject to immediate removal.
- The City reserves the right to remove any object which interferes with routine maintenance of the Cemetery or which is unsightly, overgrown, dangerous, or diseased.
- All unauthorized objects are subject to immediate removal.

COLUMBARIUM

- One Columbarium Vase is permitted per niche. Only vases purchased from the City and installed by Cemetery staff are permitted.
- Live, artificial, and silk flowers are permitted in a Columbarium Vase. No other item may be attached to the Columbarium or Columbarium Vase, or placed on or in the ground.
- The arrangement in the Vase may not extend over any part of another Columbarium niche front.
- All arrangements need to be colorfast or treated with a waterproof sealant.

PERMANENT PLANTINGS AND TREES

- Permanent plantings and trees are not permitted within the City Cemetery, except those authorized in writing by the Cemetery Supervisor.
- The Cemetery Supervisor shall select appropriate locations for and quantities of authorized plantings and trees.

- A list of approved species of trees shall be maintained by the Cemetery Supervisor.
- The City may refuse to sell a grave lot adjacent to a lot or pathway containing a tree if the City determines excavating a grave on the lot is detrimental to the tree.
- The City reserves the right to prohibit plantings or trees on a grave lot if the City determines it will interfere with routine maintenance of the Cemetery or will adversely affect an adjoining grave lot, path, or roadway.
- The City reserves the right to remove any planting or tree which interferes with routine maintenance of the Cemetery or which is unsightly, overgrown, dangerous, or diseased.
- All unauthorized plantings and trees are subject to immediate removal.

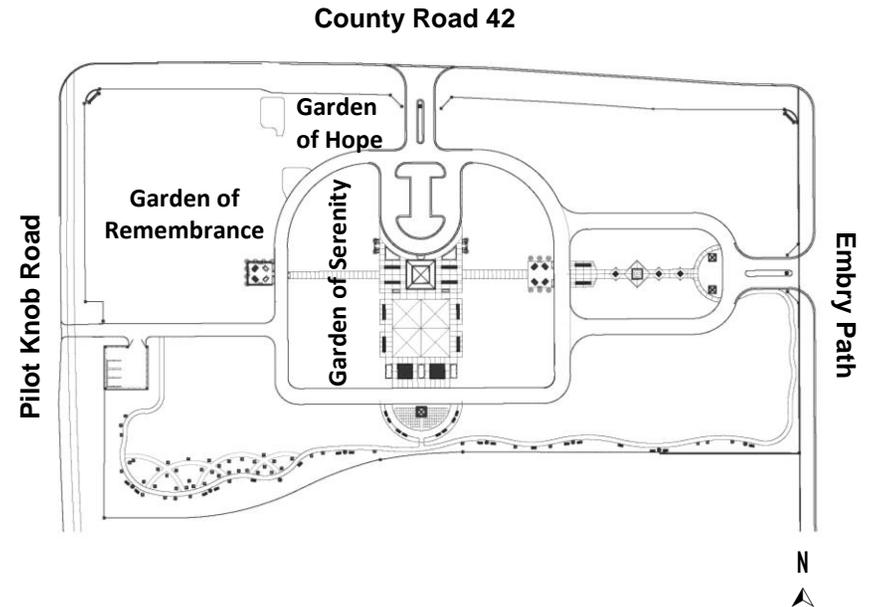

GENERAL

- No more than four (4) bouquets or sprays are permitted to remain on a grave lot following a burial.
- Water is available at the Cemetery. Visitors must provide their own containers to transport water.

CLEANUP

- The City schedules cleanup dates on or about the first day of each month from March to November and as determined necessary by the Cemetery Supervisor. At these scheduled cleanup dates, flowers and plants that have died will be disposed. Items which may have value will be retained for 30 days. Following a 30-day holding period, these items will be disposed. The City is not responsible for the return of any removed object, decoration, plant, or container.
- To schedule a time to reclaim items which have been removed from the Cemetery and placed in storage, contact the Cemetery Supervisor at 952-953-2400.
