Remember to practice good prevention measures to insure your bike is not stolen:

- Store your bike in a locked garage or shed overnight.
- If you leave your bike unattended for any length of time, be sure to lock it up or store it in a safe facility.
- When locking your bike, be sure to lock it to an unmovable object and remove any essential parts if possible (i.e. seat, tire, etc.)

In the event your bike is stolen or lost, please file a report with the Apple Valley Police Department. Be sure to note the make, model, and color of your bike and your bike registration number in the report.
