Driveway Replacement Information**

Insurance Requirements:

Contractors must have a certificate of insurance on file with the City of Apple Valley.

Residents will need to provide proof of homeowner insurance that covers work within the City ROW.

Expansion of your driveway may require approval by the Community Development Department.

- A residential driveway width cannot exceed 40% of the lot width up to a maximum of 36 feet - whichever dimension is smaller, effective February 28, 2008.
- Maximum driveway width within the right-of-way is 30 feet, except for the following:
 - Cobblestone Lake Development Zones 1, 2, & 3; Apple Valley East Family Addn; and Embry Place - maximum residential driveway width is 14 feet within the right-of-way.
- Maximum impervious surface for a single family residential property is 35% of the lot area except in specific developments and shoreland areas. Impervious surfaces are the combined area of house, driveway, patio, sheds, sport court, pool, etc.
- City sidewalks may not be removed without prior approval.
- Concrete driveways with sidewalk should have sidewalk sections cut through.
- Driveway expansions may be up to the property line but cannot alter the grade or drainage.
**A Natural Resources Management Plan (NRMP) permit may be required.

If you have additional questions, please call 952-953-2400.

**The NRMP permit is needed when excavating, grading, clearing, filling, or other earth changes alter the existing or natural contour of the land affecting drainage, and/or when tree mitigation is necessary. To determine if an NRMP permit is required, please submit a drawing of the proposed work to the Engineering Division. For more NRMP permit information, please call 952-953-2464.
