

2017 CITY CONSTRUCTION PROJECTS

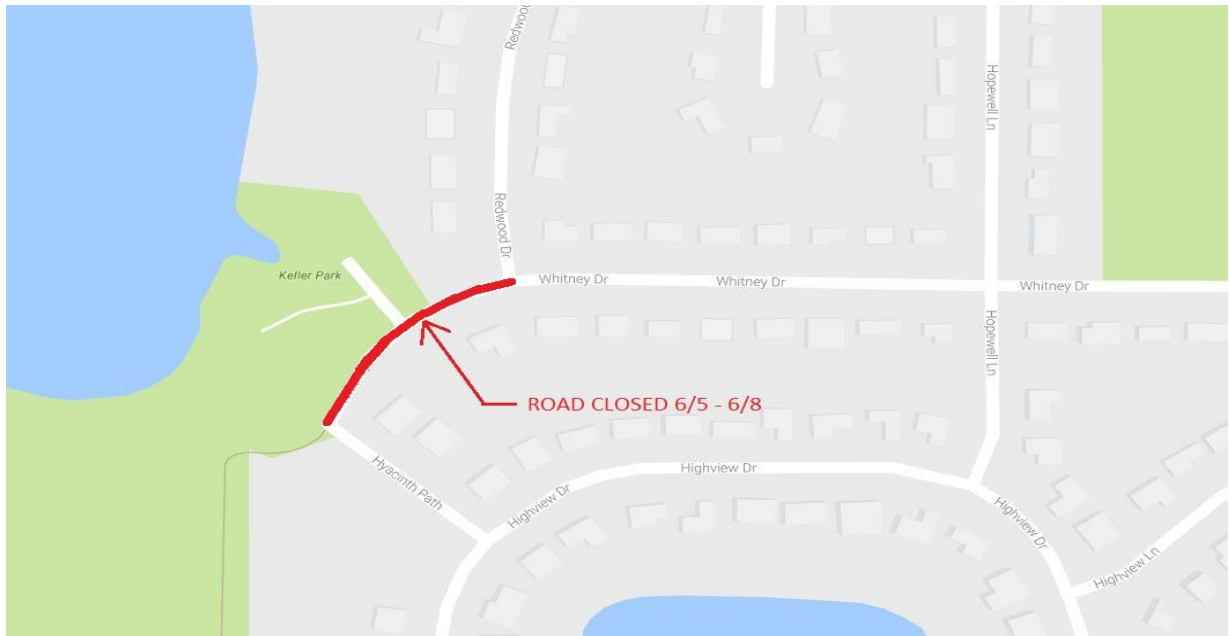

Weekly Construction Updates

Questions or Concerns?

Please contact Brandon Anderson with Engineering at 952-953-2490.

May 31, 2017

- **Sanitary Lift Station 5** (Located on Whitney Drive at Keller Park)
Road Closure June 5 – 8: Whitney Drive between Hyacinth Path and Redwood Drive will be closed for construction activity starting at 7 a.m. on Monday, June 5 through 7 p.m. on Thursday, June 8.

May 25, 2017

- **Parkside Galante** – (152nd St W between Galaxie Ave and Galante Lane)
 - 152nd Street West will be closed on May 25 from 7 a.m.-7 p.m. for construction activity.
 - Gallante Lane between Fortino Street and 153rd Street West will be closed starting on May 30 at 7 a.m. and will reopen on May 31 at 12 p.m. for construction activity.
- **Keller Lake** (Whitney Drive)– Construction crews will be dredging part of the inlet of Keller Lake located in Keller Park this week. It is anticipated that crews will be dredging

and hauling material off-site for approximately a week. Whitney Drive will be used as a haul route for this work.

May 17, 2017

- **Cortland Development Park** – (Between Eagle Bay Way and Embry Path) Construction crews completed the trail construction in the park last week. Restoration of the park will be done once the parks department has finished their site work.
- **Cortland 5th Development** - Construction crews paved the final wear course on Friday, May 12.
- **Sanitary Lift Station 5** (Located on Whitney Drive at Keller Park) - Construction crews will be starting excavation work. Construction is anticipated to last all summer. Access to the Keller Park parking lot will be restricted at times this summer due to construction activities.

May 10, 2017

- **Cortland Development Park** – (Between Eagle Bay Way and Embry Path) Construction crews are working to complete the trail construction in the park this week. Paving of the new trail will take place Friday, May 12.
- **Cortland 5th Development** - Construction crews will be paving the final wear course on Friday, May 12. The streets will need to remain clear of vehicles while crews are paving.
- **Sanitary Lift Station 5** (Located on Whitney Drive at Keller Park) - Construction crews will be starting excavation work. Construction is anticipated to last all summer. Access to the Keller Park parking lot will be restricted at times this summer due to construction activities.
