

YOUTH ACTIVITIES

SUMMER PARKS - PLAYGROUND PROGRAM

Ages 6-12

We are enhancing activities and altering the structure of the program. We will keep your kids engaged with constructive activities that focus on games, fitness, friendships and FUN! We will promote positive social interactions by encouraging participation and respect. The playground program sites are offered in one week (4 day) sessions throughout the summer, with an **administrative fee of \$5 per child per week/session**. **Registration is required for participation**. Explore our beautiful City parks, open up to new interests and meet new friends with us at the Summer Parks Playground Program. Call the Apple Valley Community Center at 952-953-2300 with any questions or for help with registration.
