

CITY of APPLE VALLEY
2018 Street Improvement Project
PROJECT NO. 2018-105

CONSTRUCTION NOTICE

April 17, 2018

With the snowfall over this past weekend, here is the construction update for 133rd / 134th St Ct W:

1. Tree removal will be marked on 4/13/18. (properties with trees scheduled to be removed were notified via mail)
2. Tree removal is scheduled to begin the week of 4/23/18
3. Pavement and concrete removals are scheduled for week of 4/30/18
4. Temp Mailboxes will be installed 4/30/18

This work is highly subject to weather. The selected trees will be cleared and grubbed week of 4/23/18. All other items are subject to weather and spring weight restrictions that are currently on the roads. I will be providing updates as available. A separate notice will go out when the temp mailboxes will go up and be in use as well.

Please contact Tim Biberdorf with any questions or concerns.
