

CITY of APPLE VALLEY
Menards Project
PROJECT NO. 2019-107

CONSTRUCTION WORK POSTPONED

April 21, 2020

The work scheduled for tomorrow, April 22, 2020 on 147th Street West has been postponed. This work, a single lane closure not restricting through traffic, will be pushed back to a date not yet known. We will make every effort to provide 7 day notice for when this work is scheduled to take place.

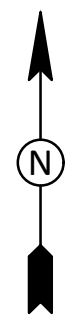

Please see the attached map for the area of work being postponed.

Please contact Evan Acosta with any questions or concerns.

Menards Project
PROJECT NO. 2019-107

CONSTRUCTION NOTICE

April 14, 2020

As part of the Menards Development, the contractor on this project will be connecting to existing city water main and storm sewer on 147th St. West. The water main work will take place (weather permitting) overnight (7PM – 7AM) on Monday, April 20th and will be open to traffic by 7AM Tuesday, April 21st. During this time a small section of 147th St. West will need to be closed to traffic. Detour signage will be posted in conjunction with the current Johnny Cake and CR 42 Project's detour during this time.

The storm sewer work is scheduled to take place (weather permitting) on Wednesday, April 23 at 9AM. This work is scheduled to be completed by 7PM of the same day. This work will be done under a single lane closure. You will still be able to navigate through this section of 147th during this time.

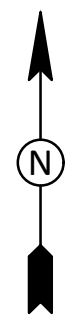

Please see the attached maps for clarification.

Please contact Evan Acosta with any questions or concerns.
