

ABSENTEE VOTING / EARLY VOTING

Absentee Voting

Absentee voting means voting in-person or by mail before Election Day, instead of at the polling place. Any voter may vote absentee. Absentee ballots are ready 46 days before an Election.

Extended hours

Saturday before each Election from 10 a.m.-3 p.m.

Monday before each Election until 5 p.m.

Absentee ballots are available in Apple Valley at

Apple Valley Municipal Center

7100 147th Street W.

Monday-Friday, 8 a.m.-4:30 p.m.

Western Service Center

14955 Galaxie Avenue

Monday-Friday, 8 a.m.-4:30 p.m.

Ballots are also available at the **Dakota County Administration Center** in Hastings and the **Northern Service Center** in West St. Paul.

Early Voting

Early voting is a form of absentee voting available only during the **final seven (7) days before the election**. In-person voters may insert their ballots directly into a ballot counter instead of sealing them into an envelope to be processed and tabulated later. This method provides voters valuable feedback regarding possible errors on their ballot.

Absentee Ballot Application

Whether voting by mail or in-person, an Absentee Ballot Application must be completed prior to receiving an absentee ballot.
